

HUMBER VALLEY HOCKEY ASSOCIATION

APRIL 2018 EDITION

HOCKEY FOR FUN AND FITNESS

With the 2017-2018 hockey season coming to a close, our Association thanks each of you for your participation this year.

But as one season ends, a new season begins and your Association is already planning for it.

Over the course of this month and the summer, the Association will be working hard to ensure that next season will be exciting and fun for all of our players, volunteers and parents.

Indeed, registration for next season will be open starting April 20, 2018. All registration information will be available on our website at www.hvha.org.

For House League players, the Association has decided to maintain registration fees at the current rate, with the following one significant exception: **for the combined Minor Atom/Atom division, the registration fee will be only \$100.**

This is a one-year only special fee to celebrate the Association's 65th Anniversary, its induction into the Etobicoke Sports Hall of Fame later this year and the division's sponsorship by McDonald's Canada. Thanks to McDonald's sponsorship, all uniforms are provided for this division free of charge to our Association.

The House League Minor Atom/Atom division is critical to the continued participation of many children in hockey in their youth.

Registration for this division will be limited to a maximum of 64 players.

So please register early, and, moreover, please help us promote this one-time special offer to friends and neighbours.

Also, our Association has begun reaching out to other hockey associations within Etobicoke and has been working with the GTHL to help implement the new IP hockey program requirements for Tyke, Minor Novice and Novice hockey that were passed by Hockey Canada.

Last, the Association has scheduled try-outs for its GTHL and Select teams. Those try-outs will begin after April 20th, first with the GTHL teams and then followed by the Select teams.

Information about these try-outs can be found at www.hvha.org.
